

1000 MOUNTAIN HOME ROAD, WOODSIDE

Public Rooms

FOYER

Arched front door with beveled edge glass sidelights opens to the foyer; coffered ceiling, wainscot paneling, and hardwood floors with inlaid feature strips that continue throughout the public rooms

LIVING ROOM

Grand-scale for entertaining with French doors to the gardens and terrace; wood-burning, marble fireplace and concealed wet bar

BILLIARDS ROOM

Mahogany-paneled room off the living room with impressive full bar, French doors to the main terrace and outdoor fireplace, and private half-bath

DINING ROOM

Formal room with barrel-vaulted ceiling, clerestory windows, and bay window; a minstrel's gallery overlooks from the library above

KITCHEN

Spacious and updated finished with white cabinetry topped in Carrara marble slab and subway-set tiled backsplashes; center island, built-in desk center, and large breakfast area with French doors to the main terrace

APPLIANCES

Thermador gas cooktop with 6 burners and griddle; two Thermador warming drawers; two Thermador ovens, two Miele dishwashers; Sub-Zero refrigerator and freezer plus two refrigerator drawers and two freezer drawers

FAMILY ROOM

Two steps down from the breakfast room with wood-burning fireplace, built-in shelves, and French doors to the main terrace

Main-Level Personal Accommodations

BEDROOM SUITE 1

Located off the family room with dual closets and en suite tiled bath with whirlpool tub and overhead shower

Upstairs Personal Accommodations

LANDING

Reached via the staircase in the breakfast room and used as a study/reading area; bay windows, skylights, and access to a covered balcony

BEDROOM SUITE 2

Bedroom with skylights, wall of garden-view windows, dual closets, and en suite bath with tub and overhead shower

BEDROOM SUITE 3

Garden-view windows, dual closets, and en suite black & white tiled bath with shower

MASTER SUITE

Private staircase access via a four-square tower lined with white-washed barn siding; bedroom has a wood-burning fireplace, six skylights, a ceiling fan, and French doors to a covered porch and to a balcony with outdoor shower; two fully-customized walk-in closets; en suite bath in tumbled marble has dual sinks, an oversized whirlpool tub, large shower, private commode room, and French door to the balcony with outdoor shower

LIBRARY

Adjacent to the master suite; mahogany paneled with integrated bookshelves and French doors to a covered porch; French doors open to a gallery overlooking the dining room
