

1357 PITMAN AVENUE, PALO ALTO

DETAILS OF THE HOME

Public Rooms

Entrance

Befitting the contemporary style of the home, the entrance has minimalist gardens surrounded with beds of desert gold granite; main walkway made of long concrete pavers, separated with crushed stone, leads to a wide landing at the front entrance, flanked by a tall display of planters filled with Equisetum (horsetail) for a decidedly modern feel

Foyer

A 9' tall door of opaque glass opens to the foyer beneath a glass ceiling and second-story all-glass, steel-framed cathedral ceiling that spans the center of the home; limestone finishes the floor and continues throughout the main level

Living Room

A long hallway opens from the foyer, lined to one side with custom cabinetry topped with a quartz counter, ideal for an entertainment bar across from the formal living room; frameless, floor-to-ceiling glass overlooks a reflecting pond with fountain; a vaulted ceiling showcases a chandelier, available for separate purchase (Verner Panton Fun 11 Pendant from DWR); floor-to-ceiling windows overlook the living wall of horsetail plants

Dining Room & Walk-In Pantry

Across from the living room and mirroring its windows, the formal dining room also has views of the horsetail plants

Family Room

Open to the central hallway and kitchen, as well as the formal living room, the more casual family room has a wall of built-in custom cabinetry with space for media needs; a floor-to-ceiling sliding glass door opens to a patio that connects with the reflecting pond and fountain; just around the corner, a recessed alcove with custom cabinetry is designed for a study/computer center for two

Kitchen

Custom Scavolini cabinetry with a white lacquer finish are topped with quartz counters beneath to-the-ceiling windows; a large island provides added prep space beside a casual dining area, defined by a contemporary chandelier, available for separate purchase (Artemide's Logico triple nested suspension light); a wet bar with Sub-Zero wine cooler enhances the home's design for entertaining; appliances include Miele 6-burner gas cooktop; Miele microwave and oven; Miele dishwasher; Sub-Zero refrigerator

Powder Room

Formal powder room with walls of vertical glass mosaic tiles and floating vanity with vessel sink

Laundry Room

Upstairs laundry room with Miele large washer and dryer, sink, skylight, and opaque glass-front cabinetry

Personal Accommodations

Bedroom Suite 1 (main level)

Located off the kitchen, this large suite currently doubles as a home office with a built-in Murphy bed and integrated retractable work table, library shelves, and sliding glass door to the rear grounds; opaque glass sliding doors conceal the closet; the en suite bath, with walls and floor in limestone, has a curbless rainspout shower with partial glass enclosure and opaque glass sliding doors to a covered patio

Master Bedroom Suite (upper level)

A foyer entrance is lined on two sides with opaque sliding glass doors concealing customized closet space, including a walk-in closet; the bedroom has sliding glass doors to a private deck, vaulted ceiling with lighted fan, wiring for media needs, and maple floors; high custom-lit shelves, matching cabinetry throughout the home, contain recessed tracks with draperies running the length of the suite; the en suite limestone bath, with additional closet, has a dual-sink vanity, frameless glass-enclosed bathing area with curbless rainspout shower, skylight and whirlpool tub, plus private commode room

Bedroom Suite 3 (upper level)

Maple finishes the floor beneath a tall ceiling with clerestory window in the upstairs loft; floor-to-ceiling glass doors open to a private balcony deck and opaque sliding glass doors conceal the closet; the en suite bath has limestone and glass mosaic tile finishes on the floor and walls, including in the shower, enclosed on two sides with glass; a skylight in the vaulted ceiling plus a lighted fan brighten the space with more light; custom window treatments with blackout lining

Bedroom Suite 4 (upper level)

A full wall of customized wardrobe storage is concealed with opaque sliding glass doors, maple finishes the floor beneath a vaulted ceiling with lighted fan, and the en suite bath has limestone and mosaic finishes, a long vanity, and glass-enclosed tub with overhead shower; custom window treatments with blackout lining

Loft

The open-tread staircase, outlined with glass panels, continues to a large top-floor loft with cathedral ceiling, windowed alcove overlooking one of the bedroom suites, plus front and rear windows; the room offers flexible use for play, recreation, and media with wiring in place for speakers

Additional Features
