Garage

- A hallway between the family room and guest suite allows interior access to the attached, three-car garage
- The garage is fully-finished and has extensive built-in storage
- The two garage doors are automatically operated
- The guest parking area in front of the garage is paved and abutted by a rock retaining wall

Grounds and Auxiliary Structures

Patio and Waterfall

- A sunny fieldstone **patio** lies at the rear of the house
- A verdant swath of lawn borders the patio
- The centerpiece of the rear garden is a magnificent, boulder strewn **waterfall**
- Designed by Fields and Associates, the award-winning waterfall was created using 170 tons of natural rock culled from Northern California rivers

Studio, Workshop and Picnic Platform

- A flight of stone steps leads from the lawn to the rustic **studio**
- The interior of the studio is lined with antique siding from a barn in New Hampshire
- The mixed width floor is also crafted of barn siding
- Two double doors with windows open to the outside at either end
- The skylight can be opened for additional ventilation
- A wood-stove on a natural rock hearth heats the room
- The loft is currently used for storage
- Spotlights are recessed into the ceiling
- Beyond the studio, additional steps lead to a picturesque chalet equipped as a **workshop** with a built-in bench and tool rack
- Further up the hill, at the top of the property, the **picnic platform** enjoys a view of the trees

Swimming Pool, Spa and Guest House

- Stepping stones meander past the house to climb up to a large flat lawn and patio surrounding the pool and spa
- The rectangular **swimming pool** is set in a salt-cast cement deck and has an automatically retractable cover
- Both the separate **spa** and pool have PebbleTech® sides and bottoms
- Located at the far end of the pool, the **guest house** is built in the same style as the main house
- A pair of French doors opens to the main room
- To the right of the doors, the kitchen has a circular copper sink set into a granite counter and finished wood cabinets
- Appliances include a U-line under-counter refrigerator and a small Frigidaire dishwasher
- Spotlights and stereo speakers are recessed into the lofty ceiling
- Mixed-width New Hampshire hardwood floor
- Situated beyond the kitchen, the full bath has a waterfall shower lined in natural rock with a clear glass enclosure
- A circular glass sink is mounted on the wall
- Opposite, the sauna is lined in fragrant cedar
- A door next to the bath opens to reveal the walk-in wine room which has floor to ceiling racks to accommodate 1400 bottles

Gardens

- The magnificent **gardens** are planted with a profusion of flowering and evergreen shrubs
- The mature landscaping makes the most of the natural setting
- Fieldstone paths connect the different features of the property
- A flagstone walkway leads through the fruit orchard, which includes two apple trees, apricot, plum, cherry and white peach trees
- The raised vegetable beds which have been fenced to keep out hungry wild life
- A wealth of trees, including **heritage oaks**, dogwoods, maples, sycamores and birch encircle the property, providing peace and privacy

Additional Features

- Pillared and security gated, graveled front drive and generous guest parking
- The property is completely fenced
- Built-in stereo with speakers throughout the house
- Outdoor speakers at guest house, spa, and kitchen patio
- Satellite television, internet, and phone system
- Fire sprinkler system throughout main house
- Central vacuum throughout main house
- Automatic irrigation controls throughout the gardens
- X-10 lighting controls for landscape lighting
- 6410 square feet of living space in main house, 680 square foot garage (per County Assessor)
- 600 square foot guest house, 300 square foot studio (per seller)
- Approximately 2.73 acres (per seller)

Note: Phillip Road is a private thoroughfare. Per the seller, each homeowner is responsible for maintaining the stretch of road in front of his or her parcel out to the middle of the road.

Exclusions: The Labrador weather vane on the roof of the studio is excluded from the sale of the property.

Disclosure Package Available Upon Request

Listed by Hugh Cornish. Any statistics or prices while not guaranteed, have been secured from sources I believe to be reliable. I recommend that the buyer have a licensed contractor inspect the property and review any and all the available reports, building permits and disclosures. In addition, I recommend that if the buyer plans to remodel, tear down and /or re-build the subject property, the buyer should meet with the Town of Woodside Building Department. Buyer shall verify square footage of lot and all structures. Buyer shall verify attendance at local schools.
