Welcome to this three-story, Mediterranean home located on a resort-like, gated, one-acre lot in West Atherton. The warmth, elegance, and quality of both interior and exterior bespeak a European sensibility. The main level is comprised of the living room, formal dining room, home office, family room, breakfast room, and kitchen. A spiral staircase ascends

from the spectacular entry hall to the top level, with its four bedroom suites. A home theater, exercise studio, indoor spa, bedroom suite, and four-car garage occupy the lowest level. In the garden, a riot of textures crowds the terraced beds, and brilliant flowers spill onto the sunny patio that links the pool and tennis court. Your own private paradise!
