HUGH CORNISH *presents* 552 ENCINA AVENUE ■ MENLO PARK

Welcome to this delightful, updated Ranch-style home located on a quiet cul-de-sac in unincorporated Menlo Park. Luminous hardwood floors and wood-framed windows enhance this three-bedroom, two-bath home. Inside, the spacious living room and dining room enjoy views of the spectacular garden, an original design by noted landscape artist Cevan Forristt. The kitchen has been updated and features a top-of-the-line dual-fuel Dacor range. The master suite has been recently remodeled to incorporate a marble bath and a walk-in closet. A large bonus room above the two-car garage is perfect for a family room or home office. This property is being offered separately, but may be purchased in combination with 556 Encina Avenue to form a parcel totaling approximately .495 of an acre.
