Welcome to this enchanting, craftsman-style "Country House" located in desirable Hidden Valley, and designed by Leslie Nichols to take advantage of the approximately 4.6 acre hill-top site. In addition to the 5,800 square foot main house, there is a one-bedroom guest house with a kitchen, full bath and laundry. Also included are an enclosed pool and a cabana with a kitchenette and a half-bath. The four-car garage encompasses built-in storage and a full attic, as well as an extra room with a workbench. The property is beautifully landscaped, with stone terraces and sunny decks overlooking a waterfall and pond. Almost every window frames expansive views, and the stunning oaks that abound on the property create an atmosphere of Zen-like quietude.
