

CONTEMPORARY EUROPEAN-STYLED HOME IN CENTRAL PORTOLA VALLEY

Nestled among the trees in desirable Central Portola Valley on a park-like 14,400-square-foot lot, this completely remodeled, contemporary-styled home offers serenity, privacy, and easy access to amenities in Portola Valley, Woodside, Menlo Park, and Stanford. This turn-key home was renovated and expanded in 2012 with a modern European flair. There are 10-foot ceilings, artistic lighting elements, and a wall of windows with sliding doors to a vast deck that spans the entire front of the home – perfect for al fresco dining, entertaining, or simply relaxing around the gas fire pit. Thoughtful features include the Tesla solar roof with fire-resistant glass shingles and Tesla Powerwall that stores electricity, in the event of a rolling blackout. In addition, the property has a drought-tolerant landscaped yard featuring the pétanque court (French version of bocce) and a large decomposed granite entertainment area. Welcome home!
