Showing the best location and a recently completed whole-home renovation, this condominium stands out as one of the finest in Sharon Heights. Located in complete privacy on the top, second floor, the home has a wraparound corner setting and just one common wall, but it is the views that make it truly exceptional looking out to greenbelts and sweeping vistas of the San Francisco Bay from two sides. Inside, every inch has been transformed with designer luxury, encompassing floors, moldings, lighting, windows, interior doors, all surfaces, fixtures, and hardware. The result is a chic, sophisticated space that is bright and light, open and flowing, and fully oriented to the breathtaking views.

Spanning approximately 2,685 square feet on one convenient level, with access via an outdoor staircase or elevator, this luxurious home begins with a welcoming foyer that flows seamlessly into a spacious living room. The dramatic vaulted ceiling, focal-point fireplace, and Bay view balcony create an inviting atmosphere. The formal dining room, perfect for entertaining, features an adjacent wet bar with wine cooler and its own Bay view balcony. The stunning kitchen and casual dining area are designed for both functionality and style, boasting light gray cabinetry with brushed gold hardware, gorgeous quartzite counters, and stainless steel appliances.
