

EXCEPTIONAL ESTATE WITH RESORT-CALIBER GROUNDS

ATHERTON

Architecture of enduring quality with East Coast influence defines this exceptional estate, privately positioned on approximately one acre with beautifully curated grounds and resort-caliber amenities. Built by William Young, Atherton Builders, the home reflects a level of craftsmanship and design that is both timeless and highly livable, with three levels connected by elevator and a floor plan that supports both grand entertaining and everyday living.

Refined interiors showcase extensive millwork, custom cabinetry, and extraordinary lighting – a defining element of the design. Formal living and dining rooms offer impressive scale, while a tremendous kitchen and family room create a natural gathering space for daily life. Five bedrooms in the main home include a luxurious primary suite with its own office, along with two additional offices providing exceptional flexibility for work-from-home needs. A fully equipped guest house offers ideal accommodations for extended stays. The lower level is designed for recreation and leisure, featuring lounge and game areas, a full bar, temperature-controlled wine cellar, cinema-quality theater, craft room, and a spacious fitness center.

Outdoor living mirrors a private resort with a pool and spa with waterslide tube, guest house heated covered terrace with fireplace, poolside fire pit, barbecue center, and pickleball court, all surrounded by expansive lawns and mature gardens. The setting, scale, and overall execution are exceptional, just moments from top-rated Las Lomas schools, Stanford University, and the heart of Silicon Valley.

ATHERTON

DETAILS OF THE HOME – MAIN LEVEL

Entrance

An electronic gate opens from each side of the corner lot to a large motor court and driveway, all finished in paver stones; a wide graceful staircase of bluestone pavers leads to the covered entry with brick-supported classic columns that encircle the porch

Foyer

Extra-tall front door set between side lights opens to a large foyer; espresso-hued hardwood floors and extensive millwork are introduced and continue throughout most rooms; four sconces adorn the walls; a dramatic staircase beyond is a focal point wrapped by a two-story wall of divided light glass and showcasing three suspended large-scale orbs of faceted glass crystals

Office/Library

Just off the foyer, double French doors open to this striking room with custom color cabinetry, matching paneled walls and desk center, and wood countertops; a gas-log fireplace is outlined in marble and a solid wooden mantelpiece that extends to the ceiling; a ceiling light of Lucite daisy petals joined together in a bouquet shape hangs in the center of the room

Office & Half-Bath

A second office, also just off the foyer, features an ornamental pressed-metal ceiling and richly hued wood paneling with integrated desk, cabinetry, and door to a half-bath with matching cabinetry and custom wallcovering

Living Room

This impressive grand room features a towering cathedral ceiling with two Murano glass chandeliers of cascading ribbons of spiraling clear and opaline glass; wainscot paneling

Living Room (continued)

and detailed millwork with four sets of French doors and matching windows to the front and rear grounds; a Rumford-style working fireplace has an elaborate mantel with fluted detail, Greek keyline, and inset mirror

Dining Room & Butler's Pantry

Grand scale formal venue with custom color walls above white wainscot paneling, an Italian chandelier of handmade crystal links and matching wall sconces, plus French doors to a balcony; just across the hall, three sets of French doors open to the rear terrace; an adjoining butler's pantry has significant cabinetry, Carrara marble counters, a sink, Sub-Zero wine cooler, Miele dishwasher, plus walk-in pantry

Kitchen & Casual Dining Room

Custom white perimeter cabinetry topped in Carrara marble surrounds an all-wood island topped in quartzite with a table-height glass-topped extension with seating on three sides; three pendants hang above the island; a separate casual dining area with scalloped drum chandelier extends off the family room outlined with corner windows

Stainless Steel Appliances

Wolf range with 6 burners, double griddle, 2 full-size ovens, and pot filler; Miele microwave; Miele dishwasher; Miele espresso center; 2 Sub-Zero refrigerators, each with 2 freezer drawers; 2 Sub-Zero refrigerator drawers

Family Room

Open to the kitchen, this spacious room has a beamed and paneled cathedral ceiling with recessed lighting, a Rumford-style working fireplace, French doors to the main terrace and pool, plus French doors to the barbecue terrace

DETAILS OF THE HOME – UPPER LEVEL

Primary Bedroom Suite & Office
